BACELINE LEASING

NEIGHBORHOOD SHOPPING CENTERS CREATING COMMUNITY VALUE

At Baceline Group, we invest in communities by acquiring and managing Neighborhood Shopping Centers. These centers are home to the businesses we rely on most in our day-to-day lives. By focusing solely on this niche property type and leveraging our comprehensive management approach, we maximize value for investors, tenants, and communities alike.

Since Baceline’s inception in 2003, our mission has been to unlock value in this overlooked asset class. Through the Great Recession and COVID-19, Neighborhood Shopping Centers have proven their resiliency and stability time and time again. Our tenant base is the lifeblood of our property operations and a critical component of our firm’s success. As an owner of Neighborhood Shopping Centers, we have a unique opportunity to invest in programs and initiatives that make a meaningful impact on our tenants’ businesses and the communities in which they serve.

OUR APPROACH

Baceline takes a strategic, hands-on approach to assure the health and viability of our Neighborhood Shopping Centers. Our Leasing Team operates from deep industry experience and thoughtfully assembles a synergistic mix of businesses to enhance the shopping experience for patrons, drive foot traffic to our centers, and ultimately maximize value to our tenants.

Our portfolio of Neighborhood Shopping Centers is divided into six regions. Every region and property are assigned a Regional Property Manager, Associate Property Manager, Leasing Portfolio Manager, Lease Transaction Manager, and Property Accountant. Every Baceline tenant has a dedicated team they can count on for anything that comes up in their daily operations.

Our collective goal is to provide our tenants with comprehensive support from maintenance requests, billing inquiries, lease renewal/expansion, and much more!
